Cost of Insurance: The insurance described in this Outline of Coverage is Contributory Insurance. You will be informed of the amount of your contribution when you enroll. Any contribution due but unpaid at your death will be deducted from the death benefit (if any).

End of Coverage

Your Employee Insurance under the Coverage or Your Dependents Insurance under the Coverage will end on the first of these to occur:

- Your membership in the Covered Classes for the insurance ends on the last day of the month in which Your employment ends (see below) or for any other reason; or
- Your class is removed from the Covered Classes for the insurance; or
- The date the Group Contract providing the insurance ends; or
- You reach age 100; or
- You die. In the event of your death, Coverage may be continued for your dependents as described.
- For Contributory Insurance under the Coverage, You fail to pay, when due, any required contribution. But, if Employee Insurance is Contributory, failure to contribute for Dependents Insurance will not cause Your Employee Insurance to end.
- The insurance is Dependents Insurance, and Your Employee Insurance under the Coverage ends.
- That person ceases to be a Qualified Dependent for the Coverage. A Spouse will cease to be a Qualified Dependent at age 100. (See Continued Coverage for an Incapacitated Child below.)

Continued Coverage for an Incapacitated Child: This applies only to the Dependents Insurance You have for a Child under the Coverage. The insurance for the Child will not end on the date the age limit in the definition of Qualified Dependent is reached if both of these are true:

- (1) The Child is then mentally or physically incapable of earning a living. Prudential must receive proof of this within the next 31 days.
- (2) The Child otherwise meets the definition of Qualified Dependent.

If these conditions are met, the age limit will not cause the Child to stop being a Qualified Dependent under that Coverage. This will apply as long as the Child remains so incapacitated.

Renewability. The Coverage(s) in this Outline are insured under a Group Contract issued by Prudential to the Contract Holder. The terms and conditions describing renewability are outlined in the Group Contract. Prudential may end the Group Contract on any Contract Anniversary. But notice of its intent to do so must be given to the Contract Holder in advance.

Cancellation of the Group Contract will not affect a payable claim that occurs prior to the cancellation of the Group Contract.

Premium Rate Changes. Under the terms and conditions of the Group Contract, Prudential has the right to change Premium rates under certain circumstances. The Premium rates may be changed as outlined in the Group Contract. Prudential will notify the Contract Holder in advance before a Premium rate is changed. If the coverage under this Group Contract includes contributory insurance, and the Premium rate change impacts the amount of your contribution, the Contract Holder will advise you of any change to your contribution.
