

At Allied Services, children and adults living with disabilities, chronic illnesses, and life-changing injuries receive exceptional therapy and care designed to enhance mobility, communication, independence, and overall quality of life. Specialized support at every level goes beyond treatment - it nurtures hope, resilience, and the confidence to overcome challenges at every age and stage of life.

Team Allied Services is an annual charity campaign, now in its 16th year, that brings together a team of 65+ dedicated volunteers who raise funds and awareness on the road to the **TCS New York City Marathon**. Their efforts benefit individuals across Northeastern and Central Pennsylvania, empowering Allied Services - a non-profit health system - to invest in cutting-edge rehab technology, innovative therapies, and compassionate care that changes lives.
